Dear Bosco, Jobic and all,

Our Marist Old Boys are just great! I am humbled by your loyalty and generosity! We Marists have every reason to be proud of our Old Boys in Hong Kong, China and all over the world.

Looking forward to meeting and sharing time with all of you in the weeks to come.

United "In the Way of the Marists",

Bro. Gregory

Dear Bosco,

I'll be glad to help. There are a few fund raising activities also being organized among Kowloon's old boys, like for SFXC60 Banquet and SFXC Foundation. So let's try our best! I agree with Jobic that we may start earlier and it'll be good if we can hand in the donation directly to Bro Gregory while he's in HK! That'll probably save currency conversion and wiring fee.

Hi Bosco,

I think if we can collect as much as possible and hand it to one of the alumni who will go to HK for the anniversary, it will give Bro. Gregory a big surprise. In that way, we can save the banking hassle as well. What do you think?
